

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary is unjust. When a large company like Sinclair gets to show an anti-Kerry program, days before the election, they are using their might to unfairly influence the outcome of the election. This is a far greater assault on our public than Janet Jackson's Superbowl scandal, but this time, you have the power to stop it before it happens.

If you do nothing to stop Sinclair, history will view this as another example of political corruption and the demise of our hard won democracy.

Thank you.
